I agree with the Muzrai Commissioner in thinking that it is not necessary, at any rate for the present, to increase the maximum pay of the Adhyaksha to Rs 100/-. His ~~proposal~~ Suggestion is ~~to have it~~ that pay at Rs 50-5-80 and allow one or two increments to the person selected for the place, if his services cannot be engaged for ~~less~~ the minimum, may be adopted.

I do not think that an additional teacher need be given now. Pandits are accustomed to do a lot of work and the existing work may be divided among the present number of Pandits

WD 021—GPB—30,000—21-8 28

I am not convinced that there is need for a separate clerk. The list of items of clerical work sent by the Committee is a long one, but it would be seen from a reference to it that most of the items require very little attention and even that at very long intervals. The chief work to be done every month is only that relating to the preparation of pay and contingent bills and the few accounts to be kept in respect of Hostel transactions. It should be possible to get the Hostel accounts written up by one of the students fed in the Hostel. It may be that these students are not trained to do this work, but the most promising of them could easily be trained to do it. The rest of the work relates to the drawing and disbursement of salaries and one or two bills of contingent expenditure every month and this work can certainly be attended by the Adhyaksha without any detriment whatever to his teaching work.

The arrangement under which a sweeper is paid out of contingencies may continue.

I do not know if the qualifications required of the Pandits employed as teachers have been definitely laid down. This is a very important matter. If the efficiency and reputation of the Institution should be maintained, the teachers employed in it should possess qualifications of admitted value. We may make an e[illegible] on this subject. We may suggest that it is necessary in the interests of the efficiency of the Institution

If these qualifications are insisted upon, it is necessary to somewhat improve the pay of the teachers and the scale of pay may be placed at Rs 30-3-60. The ~~last~~ first ~~paragraph~~ Teachers not possessing these qualifications need not be given the improved grade of pay

A communication may be addressed to the Muzrai Commissioner on the point mentioned in the preceding para, after reference to the Financial Secretary as it contains a proposal to increase the pay of the teachers who possess the qualifications ~~suggested~~ proposed to be prescribed. SIR,

In forwarding herewith a copy of letter No.434 dated 2nd December 1928 from the Secretary to the Advisory Committee of the Sri Chamarajendra Veda Maha Patasala submitting proposals for the revision of the Patasala establishment as resolved by the Committee at a meeting held on the 5th November 1928, I have the honor to state as follows:- In the revised scale the committee propose that the pay of the Adhyaksha be fixed at Rs.50-5-100. It is necessary to raise the pay for the Adhyaksha's place if a suitable man with proficiency in English also has to be got. The pay may, for the present, be fixed at Rs.50-5-80 and if a man with the necessary qualifications cannot be had for the minumum pay of the --- appointment, he may be started giving 2 or 3 increments in the grade and the question of giving him a higher grade may be considered when he -- reaches the maximum of the grade viz. Rs.80/-. With regard to ----- increasing the pay of the other Pandits, I think there is no need for the same now as the Pandits have all been given increases in pay in accordance with the revision proposals sanctioned by Government in 1926 the question of revision of the grades of these may be taken only after they reach the miximum in their present grade. The need for an ------ additional Pandit also does not seem to exist now as there is enough -- staff already. The services of a full time clerk for the College are quite necessary as already observed by Government in letter No.634/Muz. 79-28-4 dated 25th September 1928. A whole-time clerk on 20-1-25 may be given. The committee propose the appointment of a sweeper on Rs.8/ paid from State Funds. It seems that there is no need to alter the present arrangement of paying the Sweeper from the contingent allotme-

for the Patasala.

A proposition statement in duplicate embodying the above - proposals is submitted herewith for favour of sanction, the ---- additional cost being met from State Funds.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

RH

Letter No.434 dated 2nd December 1928 from the Secretary to the Advisory Committee of the Sri Chamarajendra Veda Mahapatasala Bangalore to the Muzrai Commissioner in Mysore.

With reference to your Memo No.C.563/28-29 dated forwarding a copy of the Financial Secretary's letter of the 25th September 1928 calling for proposals to engage a separate person for office work and for managing the Hostel attached to the Patasala, I have the -- honor to state that the question was considered at the meeting of the committee held on the 5th November 1928 and the following resolution was unanimously passed.

"Resolved that the grades of pay now fixed for the establishment is wholly inadequate having regard to the growing needs of the Patasala and that a revision with a view to secure -- the services of competent men is urgently needed and that the following scale of pay be adopted and suitable ~~xxxxxxxxxx~~ recommendation sent up to the Muzrai Commissioner.

Adhyaksha	--	50-5-100
Pandits 4		25-2½-50
Pandits 2		25-2½-30
Clerk		20-1-25
Peon		12- 0-0
Sweeper etc.,		8- 0-0

2. A revision of the Patasala establishment was sanctioned in -- November 1926, but it was only a readjustment of the then available establishment charges and a reallocation of the hands and no ---- additional allotment was asked for. Since then, the scope and working of the institution has extended and it has also gained in importance and strength. The readjustment of grades sanctioned in 1926 are now found to be wholly inadequate having regard to the increasing needs of the institution the present economic condition and the rates of pay allowed to the Pandit staff of the Maharaja's Sanskrit College and similar other institutions in the State. The following is the minimum establishment that is necessary, if the usefulness and the efficiency of the institution has to be maintained unimpaired.

1 Adhyaksha
1 Pandit for Rigveda Samhita
1 " Pravoga
1 Krishna Yajur Veda Samhita
1 " " Prayoga
1 " Sukla Yajur Veda Samhita and Pravoga.
1 " for Sahitya etc.,

3. The clerical work is too much for a part-time official and the services of a full time clerk to help the Adhyaksha in office - work and hostel management are necessary. The present pay of the

the Adhyaksha is not attractive and it does not seem possible recruit a competent Pandit who combines in himself proficiency in Sanskrit and English in addition to capacity to manage an --- institution like the Veda Patasala. In proposing the pay of the Adhyaksha and the Pandit staff the Committee have exercised the greatest caution and they feel convinced that any further reduction in the grades now proposed in the accompanying proposition statement is not possible. The proposals as now formulated result in a net excess of Rs.991/3 a month and this may not be considered as ----- exhorbitant having regard to the unique nature of the institution and the name of the August Sovereign it bears.

4. I beg therefore to submit that the proposals may be kindly supported and recommended and sanction obtained to give effect to the revision from 1st January 1929, a supplemental grant being obtaine to meet the small additional expenditure during the remaining five -- months of the official year 1928-29.

5. In this connection, the committee wish to bring to your notice that a portion of the interest earnings of the General Muzrai Fund has been ear-marked for financing a scheme of Veda and Agama schools in the State and that in pursuance of the above policy numerous Veda Patasalas have been opened in mofussil places in addition to the -- maintenance of a central school of agama in Mysore and supplementing the grant of the Melkote Sanskrit College to an appreciable extent. Having regard to the object of the fund and the assignments made so far from this fund and the fact that the Veda Patasala comes strictly under the purview of the several Government orders passed from time to time, the Committee think it fair that a portion of the aggregate cost of the Patasala should come from this fund. If the extra cost ----- involved in the proposed revision cannot readily be met from the General Revenues of the State, I am to request that the Government may be moved to sanction a sum of Rs.100-0-0 per mensem from the General Muzrai Fund for this purpose.

SIR,

With reference to your letter No.1066 Muz.235-28-3, dated 21st February 1929 calling for certain information in connection with the revision of the establishment of the Sri Dharmaraja and Veda-Maha Patasala at Bangalore, I have the honor to submit herewith copy of letter No.455 dated 12th March 1929 together with its enclosures received from the Secretary to the Advisory Committee of the Patasala furnishing information on the several points referred to.

Favour of early orders is solicited.

I have the honor to be,
Sir,
Your obedient servant,

Muzrai Commissioner.

Letter No.455/ dated 12th March 1929 from the Secretary to the Advisory Committee of the Sri Chamarajendra Veda Maha Patasala, --- Bangalore to the Muzrai Commissioner in Mysore.

With reference to your memo C.No.1425/28-29 dated-regarding the revision of the establishment of the Veda Patasala, I have the honor to state as follows:--

Item (1) Thirteen applications have been received for the place of Adhyaksha in responce to the Gazette Notification in this behalf. These applications were considered in the meeting of the Committee held on Tuesday the 5th Instant and it was found that none of the applicants possessed the qualifications necessary for the Adhyaksha's place. For the efficient management of this institution the Adhyaksha should not only possess a fairly good knowledge of English but must be able to handle some of the classes, particularly in the Veda. Further he must be competent to exercise due control and supervision over the staff and the pupils of the patasala. The pay allowance at present for the Adhyaksha is not sufficient to induce the right sort of men and unless it is raised as already recommended by the committee in their letter No.434 dated the 3rd December 1928, it may not be possible to secure a qualified hand.

Item (2) The following is the statement of attendance in the several classes.

	Samhite	Prayoga.	
Rig Veda	7	13	
Krishna Yajur veda	10	13	
Sukla Yajur Veda	10	The same batch of students have to be taught the veda and Prayoga separately and --- constitute two classes.	
Total	53		

These fifty three students are divided for Sahitya classes as follows:--

Amara Sabda	18
Raghuvamsa	18
Kumarasambhava	11
Megha	5
Dharma Sastra	1
Total.	53

Item (3) A copy of the time Table showing the number of hours of work of each Pandit at present is enclosed. It may be mentioned here that when the two supernumerary Pandits are absorbed from 1st May 1929 (when the superannuated Pandits retire) the work devolving upon the staff is bound to be much heavier, and a fresh timetable has to be framed.

Patasala work, take up teaching work also, and whether he has to
of the Veda or language depends upon his competency in either.

Item (5) The clerical work connected with the Patasala and the Hoste is heavy. The maintenance of the several registers and accounts and the preparation of monthly bills and accounts in connection with the Patasala well as the Hostel cannot be undertaken by the Adhyaksha whose extra teac time will be fully occupied in the maintenance of supervision and discipli of the institution. A full time clerk as already recommended is very -- necessary. A statement of the clerical work is herewith enclosed for kin reference.

From

Financial Secretary to the Government of His Highness the Maharaja of Mysore.

To

P. G.D'Souza, Esq., B.A., B.L.,

Muzrai Commissioner in Mysore, Bangalore.

Sir,

With reference to the correspondence ending with your letter No. 1425/28-29, dated the 14th/16th March 1928 about the revision of the establishment of the Sri Chamarajendra Veda Maha Patasala at Bangalore, I am directed to enquire whether the qualifications required of the Pandits to be employed as teachers in the institution have been definitely laid down. In this connection I am to state that Government consider it necessary that in the interests of the efficiency of the institution, every teacher employed in it should have passed the Mysore Vidwat Examindations in two subjects of which one should be that which he is required to teach, and the scale of pay of teachers possessing this qualification may be improved, say by placing them in the grade Rs. 30-3-60.

I am to request your opinion on this proposal. The views of the Patasala Committee in the matter may also be obtained.

An early disposal is requested.

I have the honor to be,
Sir,
Your most obedient servant,

For Secretary to Government,
Financial Department.

FINANCIAL SEC
No. 2378

FROM

R. A. Narasimha Iyengar, Esq., B.A., F.I.,
The Muzrai Commissioner in Mysore.

Muz 285-28-6.

To

P. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

With reference to your letter No.2236/Mus.Sub-Sec-6 dated the 16th ultimo in re the revision of the establishment of the Sri Chamarajendra Veda Maha Pathasala at Bangalore, I have the honor to forward herewith a copy of the Patasala Committee's views as regards the qualifications required of the Adhyapaka and other servants of the Pathasala. In the Secretary's letter of the 9th ultimo, copy of which is also enclosed, the pay of the Adhyapaka is required to be fixed at 50-5-100 which is considered not too high as it is intended to secure a person who is B.A. or M.A., preferably one who has passed in group II (Vedic Studies) in which he will be able to manage the Pathasala efficiently. As regards the pay of the other Pandits the Committee agree with the views of Government that it may be fixed at Rs.30-3-60.

The scale of 50-5-100 proposed for the Adhyapaka's place seems quite necessary to make the place sufficiently attractive to the right sort of man and to enable the employment of a person possessing high academical qualifications both in English and Sanskrit and in the Vedas. If this is sanctioned, the place will be advertised and a duly qualified man secured. The grade of 6-3-60 for the other Pandits may as proposed by the Committee, be fixed in view of the qualifications now proposed to be prescribed for them.

Letter No.479 dated 29th April 1929 from [illegible] Secretary, Sri Chamarajendra Veda Maha Patasala, Bangalore to the Mamlatdar Commissioner in Mysore.

With reference to your M[illegible] No.1428 of 26-29 dated [illegible] April 1929 forwarding for the opinion of the Committee [illegible] Financial Secretary's letter No.3035/Mun.185-28-5 dated [illegible] 1929 regarding the revision of the scale of pay of the staff [illegible] of the Patasala, I have the honour to state that the [illegible] ment of the Patasala having been regulated on the [illegible] recommendations Sanskrit College, Bangalore, [illegible] portion of the same was adopted and established [illegible] Veda Maha Patasala, their qualifications could not be [illegible] laid down, but now that the curriculum of studies has been [illegible] necessitating a higher standard of learning, a better class of teachers is quite necessary and the qualifications of [illegible] fixed for appointment in the Patasala and the scale of pay proposed for them by Government are well considered and may be sanctioned. A copy of the resolution in this matter passed at the meeting of the Committee held on 27th April 1929 is submitted herewith.

2. There are however a few points which have not been stated as qualifications, and their cases will be separately considered by the committee, and suitable recommendations made in course for fixing their pay in the grade. As there will be vacancies and retire from service, Pandits of the required qualifications will be appointed in their places.

3. The committee also recommend that the case of the Vidwat class of the Patasala students may be considered favourably, that is to say that they may be given honorary allowance of Rs.[illegible] per mensem, having regard to the fact that they have to [illegible] Vedas, [illegible] Sanskrit, and [illegible] enable him to complete the Patasala effectually. [illegible] them above II (Vedic studies) in the [illegible] grade now proposed in my letter No.434 dated 20th [illegible] Adhyaksha of the staff viz., Rs.[illegible]-100 is, [illegible] not too high.

4. The present duty has been [illegible] 1st May 1929 and I am to request that [illegible] obtained in this matter.
